Camera-Ready Submission Instructions

2025 International Conference on Artificial Intelligence, Embedded Systems, and Renewable Energy (AIESRE)

- To ensure consistent quality in the AIESRE proceedings, all authors must follow the IEEE template and formatting rules. The TPC Publication Committee will review final submissions for compliance.
- Papers that do not meet IEEE formatting requirements will not be published in IEEE Xplore®.
-

1. Revise and Finalize Your Paper

- Carefully revise your paper and make sure your paper is complete, well-written, and free of grammatical or spelling errors. Use clear, professional English throughout.

2. Format Your Paper Using the IEEE Template

Download the official IEEE Conference Templates (Word or LaTeX):

<https://www.ieee.org/conferences/publishing/templates.html>

Your paper must strictly follow the IEEE format:

- Maximum 6 pages (standard). Up to 2 extra pages allowed with an additional fee.
- Papers longer than 8 pages will be excluded from IEEE Xplore®.
- No page numbers, headers, or footers.
- Use correct IEEE margins, fonts, line spacing, and styles.
- Ensure all figures and tables are clear, labeled in English, and high quality (300 dpi recommended).
- References must follow the IEEE numbered style (e.g., [1], [2], ...) and be complete and accurate.
- Check that author names, affiliations, and emails exactly match your CMT submission and copyright form.
- Remove all instructional text from the template before creating the final PDF.

3. Add Conference and Copyright Information

On the First Page:

**Ministry of Higher Education and Scientific Research

Faculty of Electrical Engineering and Computer Science
1st International Conference on Artificial Intelligence,
Embedded Systems, and Renewable Energy (AIESRE'2025)
15-17 December 2025**

Top of the page:

2025 International Conference on Artificial Intelligence, Embedded Systems, and Renewable Energy (AIESRE)

Bottom-left corner: Add one of the following copyright notices:

Author Type	Copyright Notice
All authors employed by the U.S. Government	U.S. Government work not protected by U.S. copyright
All authors employed by a Crown Government (UK, Canada, Australia)	979-8-3315-9637-8/25/\$31.00 ©2025 Crown
All authors employed by the European Union	979-8-3315-9637-8/25/\$31.00 ©2025 European Union
All other authors	979-8-3315-9637-8/25/\$31.00 ©2025 IEEE

4. Complete the IEEE Copyright Form

Each accepted paper must have a completed IEEE Electronic Copyright Form (eCF).

Steps:

1. Go to your CMT Author Console.
2. Click “Copyright Submission.”
3. Complete the IEEE eCopyright Form (eCF) online.
4. Ensure that author names and order exactly match the final paper.

This step is mandatory for inclusion in IEEE Xplore®.

5. Create an IEEE-Compliant PDF Using PDF eXpress

All final PDFs must be created and validated using IEEE PDF eXpress. Regular exported PDFs will not be accepted.

Steps:

1. Go to <https://ieee-pdf-express.org>
2. First-time users:
 - Click “New Users – Click [Here](#)”
 - Enter Conference ID: 67541x
 - Provide your email and create a password
 - Follow the prompts and confirm via email
3. Upload your source file (Word, LaTeX, PDF) to generate an IEEE-compliant PDF.

4. Check that the PDF passes all validation checks (no errors).

More details: [Using IEEE PDF eXpress](#)

6. Upload Final Files on CMT

After validation:

- Upload your camera-ready PDF (from PDF eXpress).
- Upload your completed IEEE Copyright Form.
- Verify that the uploaded version is your final and correct file.

7. Register for the Conference

- At least one author per paper must complete a full registration.
- One registration may cover multiple papers (see conference policy).
- Upload your payment receipt as part of registration.
- Check the AIESRE website for registration fees and extra page charges.

8. Ethical and Quality Standards

- Follow IEEE ethics and citation guidelines.
- Plagiarism is strictly prohibited. All papers will be checked using iThenticate.
- Papers that fail originality or ethics checks will be removed from the proceedings.
- Ensure your work fits the conference scope and meets IEEE publication standards.

9. Presentation and No-Show Policy

Each accepted paper must be presented at the conference by at least one of its authors.

- Papers not presented (in person or remotely) will not be included in IEEE Xplore®.
- No exceptions will be made.

10. Contact Information

If you need more information or have questions about submitting your camera-ready paper, please contact the Technical Program Committee at tpc-aiesre2025@ummto.dz. Please include "Camera-Ready " in the subject line of your email.
